### **The Camping Trip**

Last summer, my family and I decided to go camping \_\_\_\_\_ the beautiful mountains. We arrived \_\_\_\_\_ the campsite early in the morning and set up our tents \_\_\_\_\_ a grassy clearing. The weather was perfect, with the sun shining brightly \_\_\_\_\_ the clear sky.

During the day, we went hiking \_\_\_\_\_ the nearby trails and explored the dense forests. The trail led us \_\_\_\_\_ a small lake where we decided to have a picnic. We spread out our blankets \_\_\_\_\_ the grassy bank and enjoyed sandwiches and fruit.

As night fell, we gathered \_\_\_\_\_ the campfire and roasted marshmallows. The stars were shining brilliantly \_\_\_\_\_ the dark sky, and we told stories \_\_\_\_\_ the flickering firelight. It was a memorable trip, and we can't wait to go camping again \_\_\_\_\_ the future.
